Dear Legendary Hills Homeowners' Association,

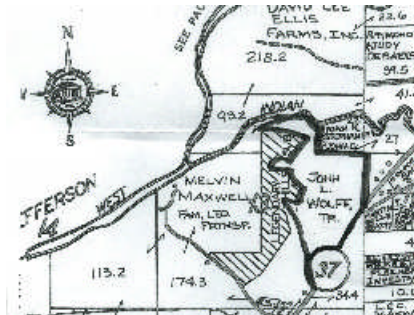

Please be aware of the fact that individuals are trespassing and riding ATV's (all-terrain vehicles) on the 130 acres of woods that borders Legendary Hills.

None of these individuals have permission from the owner, Mike Wolff, to enter this property. Please know that if anyone tells you they have permission, they are lying to you. Not only are they trespassing and destroying property that does not belong to them, I am sure they are bothering individual homeowners who may have moved to Legendary Hills to enjoy some peace and quiet and to view the deer, etc.

If you know anyone who is entering this property, please call me at 317-710-6737, or take down their license plate number from the ATV and call me with that. I will report any trespassers to the local police department

Sincerely,

Heidi Wolff
