November 2006

Homeowners Annual Meeting Nov. 30

The annual meeting of the Legendary Hills Homeowners Association will take place on Thursday, November 30, at 7:00 p.m. at the Morgan County Public Library in Martinsville. The meeting room is on the lower level and is handicapped accessible.

Officers for the coming year are to be elected at this meeting. We will also review our financial status and discuss topics of concern to the group. Please notify any officer (listed above) if there are issues you would like to discuss.

Remember: we will meet at the Library instead of at the church.

Snow, Anyone?

We are hoping for a snow and ice-free winter!

But if you have special problems in snow or ice, please contact Steve Leonard at the number above. Please do not call our snow removal contractor.
